

Thursday “Rib Night” is a very popular event for our guests at Elk Haven Horse Camp. In 2013, we began smoking 12 to 18 racks of ribs and serving 24 to 36 people. It has now grown to serving 40 to 48 racks of ribs to campground guests and the surrounding community.

A rack of baby back ribs has twelve bones and easily feeds two hungry adults. This includes choice of 2 sides, smoked cowboy beans, corny mac and cheese, and coleslaw—all for \$50.00 per rack (plus tax). ****Price subject to change****

To make sure you get to enjoy this delicious and fun event, **Please email us your rib order to reserve**. Ribs are ordered by the full rack only. If you are sharing a rack of ribs with a guest in another campsite or cabin, please note that also.

Thank you! We look forward to your visit!
