

Thursday “Rib Night” is a very popular event for our guests at Elk Haven Horse Camp. In 2013, we began smoking 12 to 18 racks of ribs and serving 24 to 36 people. In those eight years, it has now grown to serving 40 to 48 racks of ribs to campground guests and the surrounding community.

A rack of baby back ribs has twelve bones and easily feeds two hungry adults. This includes 2 sides of your choice, smoked BBQ cowboy beans, creamy coleslaw, or smoked corny mac n cheese—all for \$40.00 per rack (plus tax) paid for the night of the rib dinner (prices subject to change).

To make sure you get to enjoy this delicious and fun event, reply to the email. **Ribs are ordered by the full rack only.** If you are sharing a rack of ribs with a guest in another campsite or cabin, please note that also.

Thank you!
